

Notice of Thesis Defense of ME 10 Series

It is to inform all students of ME **9D, 10A+10C, 10B, 10G, 10E+10F, 10J** sections and previously **repeated** groups who have registered for the course **ME 400** for the semester **Spring-2020**, your thesis defense will be held sometime after Final Semester Exam of **Spring-2020**.

Other required guidelines regarding the defense & presentation will be provided to the students through notice or email later on. All the students are asked to see the notice board regularly.

In order to participate on that occasion, all the students are requested to submit their final **thesis title** within **7th March, 2020** for conducting the processes smoothly. If any student fails to do so then they won't be able to appear for the upcoming thesis defense.

N.B.: All the students are asked to fulfill all their dues and collect their clearance form and submit it to respective supervisor within **17th April, 2020**. If any student fails to do so, he/she will not be allowed to participate in the Thesis Defense.
